Chairman's Blog

Chair's Blog

Looking out at our front garden bathed in sunshine, it is hard to believe that it is only a few weeks ago that Storm Eunice was battering the country and taking down our fence panels. I hope that any damage that you suffered has been repaired and that we can all look forward to a tranquil spring in our parish!

As we move into summer, we shall be looking forward to the Queen's Platinum Jubilee celebrations on Sunday 5 June which are covered extensively in this edition of the Newsletter. I am grateful to Greg Foxwell and the Fete Committee for all their hard work in organising this significant event which will go ahead whatever the weather. Please do come along for what should be a memorable occasion and please take lots of photos, the best of which will feature in future Newsletters.

The Car Boot Sale will not take place on that date but will be back from the first Sunday in April. We all owe Michelle and Nick Malabar a huge debt of gratitude for continuing to organise and sustain this parish institution. Volunteers for helping Nick to park cars and for the catering are always welcome!

Following last month's article on Affordable Housing, there has been a very positive response. Many have voiced their support for the vision of bringing more truly affordable homes to the parish and we have received approaches from landowners for which we are extremely grateful. This is all at an early stage of a lengthy process and we will give more detailed information as and when we can.

Sadly, we had to postpone the two events planned for our Climate Change Initiative but our Strategy Workshop will now be going ahead on Saturday 23 April so please join us to be inspired and to let us know your ideas.

One of my tasks as Chair is to attend meetings of the Mining Villages Network which comprises representatives of Lanner, Stithians, St Day, Caharrack, Chacewater and Portreath…as well as Gwennap. This is an important forum as we have much in common and can therefore learn a lot from each other but equally vital is the greater clout we have as a collective rather than as individual parishes. There are two websites which are operated by the Network which you may find of interest covering footpaths and churchyards in the area.

These are at https://www.cornwalltrails.net and https://www.cornwallminingvillagechurchyards.net

In the last but one edition, Charlotte Caldwell, Cornwall Council Community Link Officer introduced herself and explained how she could support individuals and voluntary groups. Sadly, Charlotte leaves the Council on 31 March and we thank her for everything she has done for Gwennap and the surrounding area. She will be replaced by Vanessa Luckwell who will introduce herself in the next Newsletter. As her farewell contribution, Charlotte has been organising the Generation EXPO which is an exhibition highlighting what's going on in the Camborne, Pool, Illogan, Redruth and the Mining Villages areas. The exhibition takes place in the first week of April, is free and for details of what it's about and where you can see it go to https://arcg.is/1iWPKP

Finally, a big thank you to Lucy Richards for all her efforts getting the Traffic Group together and for the work they will be doing to keep all road users – vehicular and pedestrians - safe! Another great example of volunteering without which our parish would just not be the same!

Chair

The Queen's Platinum Jubilee Celebrations

The Parish Council and the Fete Committee

are organising a Platinum Jubilee Tea Party and evening BBQ for SUNDAY 5TH of JUNE at RICHARD JORY PLAYING FIELD.
The aim is to have an event that will live long in the memory of everyone across the whole parish and for the children attending Cusgarne School.

The fun will begin at 2:30pm so please come along with your own blankets or picnic table and chairs.

It would be great if all the children come dressed up for the event
if they do they can show off their outfits as they collect a FREE ice cream.
The children will have the opportunity to make a crown or other suitable headdress to accompany their outfit.

FREE Tea Treat saffron buns will be given to every child at the party.

The children will be able to plant their own sunflower seed and enter the tallest sunflower competition.
Burncoose Nursery and Warrior Garden Centre are sponsoring this competition.

During the afternoon there will also be children's entertainment with juggling and crazy golf.
With other surprises being organised as we speak.

During the afternoon the WI are providing FREE refreshments:-
tea, coffee, squash and in particular cream teas for those who want to indulge themselves.

The young adults attending the Youth Group will be helping with either the sunflower competition or crown making.

If you have an idea and would like to run an alternative activity please let us know.

It wouldn't be a proper Jubilee celebration without a commemorative tree being planted again a big thank you to Burncoose Nursery.

This is the main day when the whole country celebrates the QUEEN'S 70 years of service, so it can't be postponed,
fingers crossed we won't get wet.

The Queen's Platinum Jubilee Celebrations

GETTING READY FOR THE JUBILEE ACROSS THE PARISH

To put the Parish in the mood to celebrate it would be fantastic to see lots of bunting and red white and blue flower beds and hanging baskets through out the whole Parish.

A tree donated by Burncoose Nursery will be planted so that generations to come will know that the folk living in the Parish of Gwennap in 2022 knew how to mark our Queens dedication and service over the last 70 years.

THE EVENING PLATINUM JUBILEE BBQ WITH LIVE MUSIC AND DANCING

From 5:30pm running through to 8:30 pm the Cornish Arms are laying on a BBQ and a bar until 9:00pm at the RICHARD JORY PLAYING FIELD.
You will be able to purchase beer, cider, wine soft drinks plus the usual vegetarian and meat BBQ food.

WE NEED NUMBERS, so please return the RESPONSE FORM.

We are all hoping for the weather to be kind but if it isn't we will all remember the day because we will be dancing in wellies and our wet weather gear.

The Queen's Platinum Jubilee Celebrations

Platinum Jubilee Tea Party and Evening BBQ response form

To help the Parish Council and Fete Committee make the 5th of June a great day we need to know how popular our celebrations are going to be here in the Parish of Gwennap.
If you or any of your household will be attending please would you return this form to any of the following by Saturday 30th of April

The Cornish Arms
Cusgarne Primary School
The Parish Rooms Frogpool
The telephone box / book exchange Gwennap
Croft Handy Village Hall

PLEASE CIRCLE AND ADD NUMBERS AS NEEDED

We will be coming to the tea party,
Number of adults:- Number of children:-

I / We will need a parking place for the afternoon only - yes / no

I/ We will need a parking place from 5:30 - yes / no

I/ We will need a parking place all day - yes _

The WI are laying on cream teas,
I / we would like a cream tea, number requested:-

My our child / children will be taking part in the tallest sunflower competition, numbers:-

The BBQ with live music and bar
will start at about 5:30 and go through to 9 pm.

We will be coming to the BBQ
number of adults:- Children:-

We would like a vegetarian option yes / no.

PRESERVES
HAND MADE IN CORNWALL

CORONATION CHICKEN
(serves 6-10)

There is only one recipe that's appropriate for this special edition of the Gwennap Newsletter and it is Coronation Chicken. The Cordon Bleu Cookery School in London was asked to devise and prepare the Coronation Day banquet for 350 guests, mainly representatives of other countries, to be held in the Great Hall of Westminster School. Constance Spry and Rosemary Hume devised the recipe which may have been inspired by a dish prepared for the silver jubilee of George V in 1935 called Jubilee Chicken. There are many variations of the original dish, however this is one I have made many times and is certainly a crowd-pleaser; it is ideal for picnics and summer parties. I use a whole poached chicken as the meat is more succulent and I think the combination of white and brown meat gives more flavour to the dish but if you are short of time you can use skinless chicken fillets.

1 large chicken, poached

56g / 2oz clear honey
15g / ½ oz medium curry powder
56g / 2oz good quality mango chutney
85ml / 3 fl.oz white wine

285ml / ½ pt double cream
285ml / ½ pt mayonnaise

Toasted flaked almonds to garnish

To poach the chicken place it, breast side down, in a large casserole dish (with lid). Cover the chicken with cold water. Add some chopped carrot, celery, onion and a bay leaf. Place on top of the hob and bring to a gentle boil, reduce the heat to a simmer so the bubbles are only just breaking the surface of the water. Put the lid on and leave to simmer for about 1¼ hours until tender. Remove the chicken from the broth, cover with foil and allow to cool. Keep the cooking liquid as it is a perfect stock for other dishes (it freezes very well). Once cooled, take the meat off the bones and cut up into bite-size chunks.

Gently simmer the honey and curry powder with a little water for 10 minutes. Add the chutney and wine and simmer for a further 5 minutes. Take care that at no point the mixture catches. Pass the sauce through a sieve or use a stick blender to get rid of the lumps. (Note: This will store in the fridge for several weeks in a screw top jar.)

Whip the cream until it is a similar consistency to soft mayonnaise – be careful not to overwhip it to a solid state. Add the mayonnaise and mix together then fold in the curry sauce. Add the chicken pieces making sure they are all coated in the sauce. When serving sprinkle the toasted almonds on top. Accompany with rice or new potatoes and salads. The only additional thing needed is beautiful weather for the perfect outdoor lunch.

Gwennap Parish
BLOSSOM PROJECT

Celebrating nature, culture, and community

Gwennap Parish Blossom Project is our take on the Japanese hanami, or blossom festivals, inspired by the National Trust's #BlossomTogether project and gathering momentum as part of our community's Platinum Jubilee commemorative events.

The first of the UK's Blossom Gardens was opened in May 2021 at the Queen Elizabeth Olympic Park, featuring 33 trees representing the Boroughs and City of London and designed with the community as a living Covid-19 memorial for use by everyone. Other cities have followed with Gardens planned in Nottingham, Newcastle, Coventry, Plymouth...and across Gwennap Parish!

This isn't a one off or short-term project, it is in its early stages and we'd love more members of the community to get involved in designing, planting, and celebrating a series of Blossom sites around our main villages, community spaces, along the Parish's byways and footpaths, and in your own gardens.

The first Gwennap Blossom Garden is planned for the Parish Room at Pulla Cross. It will be planted for the Jubilee celebrations in June with the first stage being a selection of trees planted as standards to create an arc or circle within the park. Some will be provided through funding but *we'd like to include trees donated or sponsored by members of the community*, in memory of someone, or as a symbol of hope, so please get in touch if this is something you'd be interested in. Replacements for the play area apple tree lost to Storm Eunice are also being sourced to begin a mini community orchard.

Other Blossom Gardens are also planned for Crofthandy, Gwennap, Cusgarne, Hick's Mill and 'south of the A393', with smaller Community Blossom Clusters at important locations around the parish such as Frogpool Chapel, the cemetery, Coldwind Cross, and Frogpool 'Green', but we need more suggestions. *Where means something to you and your family?*

Connecting all of these spaces, and you to our wonderful rural landscape, will be a series of walks and trails along key routes between old mine sites and other features of our Parish's industrial and farming heritage. These will again require your input, *we want your stories and memories to include and bring the walks, clusters and gardens to life.*

The last, or perhaps first, piece of the jigsaw will be a list of native tree and shrub species suitable for our local environment which have a beautiful blossom display as well as other seasonal interest and wildlife value. These will be used throughout the Blossom sites and we hope will also *encourage planting on private land and in our own gardens.*

Working together, we will create a beautiful annual reminder that the world keeps spinning, that delivers benefits for wildlife and the wider environment, and connects us to each other and our Parish.

For more information and updates go to www.gwennap-parish.net/blossom-project, visit the Parish or Village Facebook pages, or check one of the Parish noticeboards...

Climate Change Workshop with Luci Isaacson

Saturday 23rd April
10am-1pm
Parish Rooms

We are very excited that the award-winning Luci Isaacson has agreed to be part of our workshop to help create a Climate Action Plan for Gwennap.

Luci wrote the 10 pledges https://climatevision.co.uk/top-ten-pledges/ for making a practical difference to the Climate Emergency and was awarded a British Empire Medal for her contribution to Flood Risk Management.

Come along on 23rd April for coffee and cake and help shape our parish for the future.

- **What are YOUR concerns on climate change?**
- **How can we make some small immediate changes to set us on the right path?**
- **What longer term targets would YOU like to see us working towards?**

All welcome, young and old, for an exciting morning making those first steps to Gwennap Parish becoming carbon neutral.

Please let Chris Ring, the Parish Clerk, know if you will be coming on 07762 699783 or clerk@gwennap-parish.net
so we can be sure to bake enough cake!

Remember, this is about making YOUR parish a better place to live for the future, so we need to hear from YOU!

Gwennap Parish Environmental Group currently meets on the first Friday of the month at the playing fields at 11.30am – all welcome.

Cusgarne and Frogpool Women's Institute

Cusgarne and Frogpool Women's Institute
Happy 50th birthday to all our members. On 22nd March 1972 forty three ladies met at Cusgarne School to "discuss the formation of a Women's Institute in this area" The subscription at that time was 50p and during tea and biscuits "58p was collected for WI funds". As we know much has changed since then. We are very lucky to have two founder members Mim and Rose who still attend our meetings each month and tell us tales of regular fun events with other groups in the area all enjoying dressing up and putting on plays and taking outings all over Cornwall. The friendship, support and camaraderie that the WI brings to people lives on and it is our pleasure to welcome eight new members to our group – Jenny, Jill, Lucy, Margaret, Rachael, Rita, Sally and Sue. We look forward to making new memories with you all.
In January we were joined by Mr Wailim Wong from the Citizen's Advice Bureau who gave us extremely helpful advice to avoid being caught out by scammers. Most members had a story to tell of unwelcome phone calls or emails and all age groups are targeted.
Our February meeting was a social evening due to covid issues and our March meeting was devoted to celebrating our half century and to our annual meeting. Sue remains as President, Mim as Treasurer and Sandy as Secretary. Our forthcoming meetings include:-
5th April – Rachel Reid – Recycling and waste in Cornwall
3rd May - Resolutions and "Getting to know you"
7th June – Linda Sandercock – My paid holiday in the WRNS
5th July – Rose Joynes – Floral arrangement demonstration
If you would like to join us we meet at the Parish Rooms at Pulla Cross at 7pm on the first Tuesday of the month. The first three meetings are free and after that we would offer membership. Please contact Sandy on cusgarneandfrogpoolwi@gmail.com for more details.

President Sue, Treasurer and founder member Mim and new member Sue who made the cake.

Printer cartridges!

Do you have any old used printer cartridges?
Robert Cook is collecting such items for The Camborne Town Band Music Society (registered charity no: 1135992) Cornwall's most famous and successful Town and Youth Brass Bands.
Please contact Robert on 01872870114 / 07763407227 for further details or alternatively wrap them and put through his letterbox at 14 Treneglos, Frogpool, TR4 8RT.
A cardboard box is also located for this purpose in Gwennap Parish Rooms, Richard Jory Playing Field, Pulla Cross TR4 8RZ.

Defibrillators

There are 5 Defibrillators (AED's) in the Parish:

The Cornish Arms, Frogpool.

The Parish Rooms at Richard Jory Playing Field.

Crofthandy Village Hall.

Gwennap Church

Bissoe Bike Centre.

Many thanks to Ray Humble for looking after the AED's and to Cornish Metals for a grant to replace the batteries.

PARISH COUNCIL MEETINGS

Our Meeting dates for 2022 are:

12 April
10 May (Crofthandy Village Hall)
14 June
12 July
9 August
13 September (Crofthandy Village Hall)
11 October
8 November
13 December

Frogpool Methodist Church

Minister Revd. Elizabeth Harris
Tel: 01209 820077.
elizabeth.harris@methodist.org.uk

Sunday Morning Services 10.45 a.m.
will be held on
20th March, 3rd, 10th, 17th & 24th April, 1st, 8th & 22nd May.

Please check the Notice boards for further information.
Currently face coverings are optional and sanitizer is provided on entry. Please be considerate of each other.

Coffee Mornings are held in the Sunday School hall from 10.30 a.m. to 12.00 noon each month

Thursday 31st March
Thursday 28th April
Thursday 26th May
Thursday 30th June

These are purely social events where you can come and enjoy a cup of great coffee or tea, a piece of cake and have a chat.
Bring & Buy Stall.

Community Courtyard

For some time now, we have been in the process of creating a Community Courtyard at Frogpool Chapel. This will be a relaxing space within the chapel grounds for community use, which will include benches and planters, and feature ceramic artwork created by people in the community, including the lovely staff and pupils of Cusgarne School.
During several school and community workshop sessions, we have been working alongside artist Vanessa Penrose to create ceramic artwork, seating and planting for this space (at the rear of the chapel), which will reflect the heritage and natural beauty of the area.
You will be pleased to hear that the ceramic artwork is almost complete, the benches and planters are in progress, the space has been pressure-washed and prepared, and the background wall will soon have a change of colour to compliment and showcase the ceramics. We hope to put it all together around Easter – look out for information on posters and on Facebook, as we plan to hold an 'Opening Ceremony' sometime soon!
We are grateful for a generous grant from the United Downs Geothermal Community Fund, which is making this possible.
In the meantime, chapel services have resumed on Sunday mornings, and all are welcome - information is posted weekly on the chapel noticeboards, detailing services, speakers & other events.

The chapel is important in our community; as well as regular services and events, it is available for baptisms, weddings & funerals, and the schoolroom is available to hire for groups or events (contact the chapel steward Mary Richards for further information on 01872 863143).

St. Wennapa Church Gwennap

Regular monthly Services at 11.00am
1st Sunday Holy Communion (Book of Common prayer)
2nd Sunday All age Worship
3rd Sunday Holy Communion (Common Worship)
4th Sunday Matins (Service of morning prayer)
5th Sunday Holy Communion (Common Worship)

Easter Services
Easter Day Sunday April 17th 11am Holy Communion

GWENNAP QUIZ
Friday 22 April 2022 at 6.30pm at Gwennap Church Hall
Teams maximum 6 per table
Please contact Adele on Tel 01209 482703 or 078900 47956
to reserve table and choice of pasty

Gwennap Ladies Guild
All our meetings are at 2.30pm in Gwennap church hall and are on the 4th Tuesday of each month except for December and August, or when an outing has been arranged.
In April we shall have a make up demonstration and in May there will be a garden party. In June we shall learn about the Cornwall Energy Recovery Centre and in July there will be a talk about butterflies.
New members are always welcome.
Our secretary:
Vi McPherson 01872 862151 if you would like to contact her

Back at last::-
GWENNAP SUMMER CONCERTS 2022 in Gwennap Church
Every Wednesday in June and July

7.30 - 9.15 Refreshments and Sales table.
June 1st Nankersey MVC
June 8th Treverva MVC
June 15th Celtic Male Ensemble
June 22nd Imerys Mid Cornwall Choir
June 29th Trengilly singers
July 6th Eight in a Bar
July 13th Mabe Ladies Choir
July 20th St Stythian's MVC
July 27th Four Lanes MVC

A Flower Festival in the church is planned for July - no date fixed yet
.

THE COFFEE STOP

We meet every Tuesday 10-11.30 in the Parish Rooms , Richard Jory Playing Field.
Coffee tea and biscuits and chat. Open to everyone.
Each year we support a Cornish charity, all money is from donation for our coffee etc.

Vanessa 01209820355

REMEMBERING TONY WALKER

The recent sad passing of local character Tony Walker
brought back memories for many residents of his years of hard work
towards creating the Playing Field at Pulla Cross.
- by Alan Blamey -

How did the Playing Field actually come about?

It began back in 1977, at an event held in a field in Frogpool to celebrate the Queens Silver Jubilee.
A group of local residents got talking, and felt the village ought to have a playing field.
They approached the Parish Council who agreed to make enquiries of twelve local landowners to see if they were prepared to sell land.
Only one, Mr Dundon agreed, so in 1982 the Parish Council took out a loan for the purchase of the current field.
The field was officially opened in 1983 by Mrs Alberta Jory, the same year as the first Parish Fete there.
Before that, fund raising Fetes were held at the school, with the bed race from the village to the school a popular event along with Bonfire Nights.
In the meantime, those who had approached the Council formed themselves into a fundraising committee, the Gwennap Parish Recreation Association, with the Parish Council also members.

Fund raising for play equipment and a portacabin/meeting room gathered momentum, with the whole community supporting the bingo evenings, beetle drives, bonfire nights -you name it, the committee did it.

It would be unfair to name those who devoted their time to raising the funds, because no doubt someone would be forgotten, but Tony Walker was the driving force who gave years to the cause.
Persuading people to give their time and money, cadging building materials for the toilet and changing block, bingo caller, beetle driver, yes, there were many who pitched in and did what they could,
but all followed the Walker masterplan!

In 1984, the first Car Boot Sale started, and they have provided funds towards the maintenance and upkeep of the playing field ever since.

There are still many living in the parish who will remember Tony as a real gentleman who gave a great deal of his time towards creating what is today a well-used amenity enjoyed by many.

Funeral Plans

Gwennap Traffic Group

Not quite so long between updates this time, and things are actually starting to happen which is quite exciting!

Community Speedwatch: a BIG thank you to Donna Hansen, Cat Allen, Valerie Tomlinson, and Kenn Shearer who answered the last call for more members of the Group and persevered with the awkward last section of online training to become fully fledged Operators. Given the small number of volunteers so far we can only start with around three Speedwatch locations, of over 10 that emerged from mapping the hotspots put forward by the community. The more people we have available the more sites we can run monitoring sessions at, so please do get in touch to find out more and sign up. It's not a huge commitment and you receive support throughout, plus you'll be doing something positive for the community. Please email lucywilsonrichards@gmail.com if you're willing to step up and join in…

CSW has a new Speed Detection Officer, Allen Reed, who came down to the parish on Friday 11th March to work through the first batch of sites to be processed for approval, the intention is to get monitoring sessions going this Spring so you'll see groups of hi-vis vests out soon. Please be friendly, volunteers are giving their time to try to help make the Parish's roads safer for all users. Speeds are recorded on handheld devices similar to those seen in use by the Police and uploaded for review once the session is complete. Warning letters can be sent but volunteers cannot actively enforce penalties, that comes if and when there is a clear issue and a Police Officer is sent to accompany the next sessions, or, if we feel the situation is serious enough when we give them a call to pop down there and then.

Remote monitoring: as part of the Speedwatch site approval process several locations were found to be unsuitable, generally due to the strict volunteer safety criteria. This was expected given the nature of many of the Parish roads being so rural. In these spots we are looking to get remote recording devices mounted on existing signage poles to collect data over a couple of weeks and provide an evidence base for further measures. These may also go in approved Speedwatch locations to allow comparison between 'unwatched' speeds and those chosen when monitoring is less subtle!

Village Gateways: are still high on the list. Locations have been reviewed and we are moving to discussing with Highways how these get put in place. The most likely design will be the white timber effect 'gates' seen around other nearby villages, with a village and speed sign, possibly room for one of the Children's' signs and ideally a blossom tree or shrub behind (see the Blossom Project article). These will reinforce the messages that road users are approaching a village with a consistent Parish identity and without looking out of place in our countryside location.

'20 is Plenty' Campaign: based on its success up country in urban locations this initiative is being promoted as a County wide measure by Cornwall Council's Cabinet. Whilst it may be a useful tool in Cornish towns, or more urbanised villages such as Perranwell Station, the evidence and feedback from Police indicate it would be unlikely to achieve benefits for Gwennap without a substantial amount of hard engineering and signage to achieve enforcement. On this basis, and as we are actively pursuing other measures the Parish Council returned an opinion to Cornwall that we wouldn't be promoting it in Gwennap at this stage.

To have a say and be part of taking a communal responsibility for our Parish check the village facebook page or noticeboards, or contact Chris Ring, Parish Clerk.
